## REACHING OUT

*from the  
Ebling Library  
to you*

### Our Goal

In keeping with the spirit of the Wisconsin Idea, the Ebling Library at the University of Wisconsin-Madison is poised to support the concept forged many years ago, to make “the beneficent influence of the University available to every home in the State.” Our library staff strives to meet the growing demand for access to and understanding of quality health-based information resources. We seek to demystify the use of information tools and to illustrate their effective use. The Library offers access to resources and services that support, strengthen and enhance performance, research and the life-long learning goals of Wisconsin’s healthcare professionals, librarians, educators, students and residents in rural and urban areas.

### Our Collection

The Ebling Library contains materials in the areas of medicine, nursing, pharmacy, allied health and basic sciences. Included in the collection are:

- 373,793 volumes
- 4,492 journal subscriptions
- Over 75 biomedical databases
- Audio-visuals
- Rare books and historical items
- Government documents in health

## DOCUMENT DELIVERY SERVICES

If you are an unaffiliated healthcare professional in Wisconsin, we invite you to contact our document delivery staff who will, for a nominal fee, provide articles and books from our extensive collection.

- EblingMLS@library.wisc.edu
- Ph: 608.262.6362
- Fax: 608.265.5598

## REFERENCE CONSULTATIONS

Our reference staff will assist you with health questions, search query construction and literature searches.

- <http://ebling.library.wisc.edu>
- [askebling@library.wisc.edu](mailto:askebling@library.wisc.edu)
- Ph: 608.262.2020
- In person

## CIRCULATION

Wisconsin residents, providing proof of residency, are eligible for a free Health Patron Card which will **allow checkout** of Ebling Library materials.
